Welcome to NGEL Partners.

First of all, click "PERSONAL INFORMATION icon" on the top right of the current page, click "My Profile" to check your basic information, and upload a copy of your ID and proof of address document. Only when this is completed can you "open your live account" and trading normally. Finally, download the MT4 Trading Terminal to use on your computer.

Risk Warning Note: Forex and CFDs trading carries a high level of risk that may not be suitable for all investors. Leverage creates additional risk and loss exposure. Before you decide to trade foreign exchange, carefully consider your investment objectives, experience level, and risk tolerance. You could lose some or all of your initial investment; do not invest money that you cannot afford to lose. Educate yourself on the risks associated with foreign exchange trading and seek advice from an independent financial or tax advisor if you have any questions.
